

CURE 2020

Research Challenge Awards

The *Research Challenge Award* is an initiative of the University to encourage and acknowledge the research conducted in its constituent and affiliated institutions. This award is an encouragement for all the undergraduate, house officers and post graduate students to enter in oral and poster presentation competition. All the candidates wishing to enter in the competition **MUST REGISTER** for the convention and **MUST SUBMIT ONLINE** abstract. Please go through all the guidelines for oral and poster presentations.
