Proceedings:

Vice Chancellor UHS, Lahore convened a meeting at UHS at 9:00 am to finalize the format of Objectively Structured Performance Evaluation (OSPE) component in the subject of **Anatomy (Part I and II)** for the forthcoming Annual 2008 Examinations.

All the participants unanimously agreed on making the Practical Examination more objective and standardized in line with Best Evidence Medical Education (BEME) and local needs.

Following thorough review and after taking all logistic angles in consideration a consensus document on the format of OSPE examination was finalized and is attached for your information, perusal and forward dissemination to all concerned.

The meeting ended on a note of thanks by the Chair.
