

Statutes & Regulations for First Professional B.Sc. Nursing (Revised Scheme)

Examinations

General Regulations

1. 1st Professional B.Sc. (Hons.) Nursing Examination shall be held every year in affiliated institutions of University of Health Sciences on dates fixed by the Vice Chancellor on the Recommendation of the Board of Studies (Nursing).
2. 1st Professional B.Sc. (Hons.) Nursing Examination shall be held twice a year (Annual and Supplementary) at dates fixed by the Vice Chancellor on the recommendations of Board of Studies (Nursing).
3. The examination shall be open to any student who:-
 - a. has been enrolled during one academic year preceding the examination in a college affiliated to the University in the faculty of Nursing.
 - b. has passed not less one academic year previously the Intermediate Examination of the pre-medical group from the Boards of Intermediate and Secondary Education in Punjab or any other examination or qualification considered equivalent for this purpose by the Academic Council on the recommendations of the Board of Studies (Nursing).Or
has passed the High School Certificate from a school affiliated to an overseas institution or directly from an overseas institution and has acquired original IBCC (Intermediate Board of Chairmen Certificate) equivalence.
 - c. has his/her name submitted to the Controller of Examinations by the Principal of the College in which he / she is enrolled.
 - d. has his/her marks of internal assessment in all the subjects sent to the University with submission of his / her name to the Controller of Examinations.
 - e. produces the following certificates duly verified by the Principal of his / her college:
 - (i) of good character;
 - (ii) of having attended not less than seventy-five percent (75%) of the full course of lectures delivered and practical conducted in each of the subjects of the 1st Professional Examinations.

The Chairman of the College Academic Council / Principal of the affiliated college may condone for valid reasons deficiency up to 05% of lectures in written papers and 05% in practical. Candidates falling short of lectures or

practical above this percentage shall not be admitted to the examination but may be permitted to appear at the next examination if they attend 75% of the lectures delivered and practicals conducted up to the commencement of the next examination by remaining on the rolls of a college as regular student.

4. a) The minimum number of marks required to pass Professional Examination for each subject shall be fifty percent (50%) in theory, fifty percent (50%) in the oral & practical examination and fifty percent (50%) in the aggregate at one and the same time. However, the minimum number of marks required to pass the examination for English shall be fifty percent (50%) in theory examination, the only component of university examination.
 - b) The minimum number of marks required to pass the examination for Islamic Studies/Ethics and Pakistan Studies shall be thirty three percent (33%) in aggregate.
 - c) Islamic Studies/Ethics and Pakistan Studies can be cleared any time before passing the Final Professional Examination. However, B.Sc. (Hons.) Nursing degree shall not be awarded to any candidate who has not passed the Examination in Islamic Studies/Ethics and Pakistan Studies.
 - d) The marks of Islamic Studies/Ethics and Pakistan Studies shall not contribute towards the total marks of the Professional Examination and determination of position.
5. "The continuous internal assessment shall contribute 10% to the total allocated marks for each subject in a professional examination. Awards of internal assessment will be equally distributed to the final Theory and Oral/Practical Examinations scores of a candidate and not to an individual component like MCQs, SEQs Paper or Oral /Practical/ Clinical Examination."

Awards of internal assessment in all the subjects in a professional examination shall be submitted to the Controller of Examinations along with Admission Forms for the annual examination. Internal assessment received after commencement of the examination shall not be accepted. The marks of internal assessment shall be submitted only once a year prior to annual examination and the same shall be counted for both annual and supplementary examinations. It is further emphasized that fresh internal assessment or a revision of assessment for supplementary examination shall not be permissible. However it is required from the Colleges to submit a revised internal assessment for the detained students. The internal

assessment award in a particular year will not be decreased subsequently detrimental to the candidate.

(Proper record of the continuous internal assessment shall be maintained by respective departments of Nursing Colleges).

6. A candidate who passes in one or more subject but fails in the annual examination shall, if he/she so desires, provisionally be allowed to join the next higher class till the commencement of supplementary examinations. The candidate, however, shall have to pass the failed subjects in this supplementary examination failing which the candidate shall be detained in the class in which he/she had failed. Under no circumstances a candidate shall be promoted to next higher class till he/she has cleared all subjects in the Professional Examination of preceding class.
7. If a student appears in the supplementary examination for the first time as he / she did not appear in the annual examination and failed in any subject in the supplementary examination. He / she will be detained in the same class and will not be promoted to the next class. Promotion on carry on basis will not be allowed under any circumstances.
8. A Candidate who fails to pass 1st Professional B.Sc. Nursing Examination in three consecutive chances, availed or un-availed, after becoming eligible, shall cease to become eligible for further education in B.Sc. Nursing Degree Programs of the University.
