However, Hon'ble Islamabad High Court, Islamabad in its order dated 14.6.2016 (W.P.No. 433-2014) has declared the reservation of these seven seats (Serial No. ix and x) for the daughters of Federal Government Civil Servants as illegal and has ordered to admit candidates of Islamabad (ICT) against these seats w.e.f. Session 2016-17. For details contact Cabinet Division Islamabad at Ph: 051-9051607).

**Q.31 After the Admission Test, how should I apply for admission on Open Merit basis?**

Ans: (i) After the declaration of official result of the Admission Test, the admission process for public sector medical and dental institutions will start as per notified schedule.

(ii) The merit shall be worked out as per the regulations of Pakistan Medical and Dental Council (PMDC), and shall be based on the aggregate percentage of the candidates worked out by adding the marks in the following ratio:

Matriculation (SSC or Equivalent)	–	10%
HSSC/F.Sc (Premedical or Equivalent)	–	40%
Entrance Test	–	50%

iii) The Formula for calculation of merit is as follows:

$$\frac{\text{Marks obtained in SSC /Equivalent}}{\text{Total marks of SSC/Equivalent}} \times 1100 \times 0.10 = 10\% \text{ of SSC/Equivalent}$$

$$\frac{\text{Marks obtained in HSSC /Equivalent}}{\text{Total marks of HSSC/Equivalent}} \times 1100 \times 0.40 = 40\% \text{ of HSSC/Equivalent}$$

$$\frac{\text{Marks obtained in Admission Test /SAT II/MCAT}}{\text{Total marks of Admission Test /SAT II/MCAT}} \times 1100 \times 0.50 = 50\% \text{ of Test}$$

$$10\% \text{ SSC} + 40\% \text{ HSSC} + 50\% \text{ Admission Test} = \text{Aggregate Marks}$$

$$\frac{\text{Aggregate Marks}}{1100} \times 100 = \text{Aggregate Percentage}$$

**Example 1 :**

Marks obtained in Matriculation	=	992 / 1050
Marks obtained in HSSC/FSc	=	980 / 1100
Marks obtained in Admission Test	=	970 / 1100

By applying the aforementioned formula:

$$992 / 1050 \times 1100 \times 0.10 = 103.92$$

$$980/1100 \times 1100 \times 0.40 = 392$$

$$970/1100 \times 1100 \times 0.50 = 485$$

$$\text{Aggregate Marks} = 103.92 + 392 + 485 = 980.92$$

$$\text{Aggregate Percentage} = 980.92 / 1100 \times 100 = \mathbf{89.1745}$$

**Example 2 :**

$$\text{Equivalence of O-Level} = 812/900$$

$$\text{Equivalence of A-Level} = 925/1100$$

$$\text{SAT II Score} = 2100/2400$$

$$\begin{aligned} 812/900 \times 1100 \times 0.10 &= 99.24 \\ 925/1100 \times 1100 \times 0.40 &= 370 \\ 2100/2400 \times 1100 \times 0.50 &= 481.25 \end{aligned}$$

$$\text{Aggregate Marks} = 99.24 + 370 + 481.25 = 950.49$$

$$\text{Aggregate Percentage} = 950.49/1100 \times 100 = 86.4081$$

- (iv) Final calculation in percentage will be rounded up to four decimal point
- (v) No marks will be deducted for extra attempts availed in HSSC/FSc examination by the candidate beyond the period two years after passing the SSC/ Matriculation annual examination.
- (vi) Only those candidates having domicile of any district of the Punjab and Federal Capital Area (Islamabad) who will score **84% per cent or above aggregate marks (excluding Hifz-e-Quran marks) as per PMDC formula**, shall be eligible to apply for admission against **Open Merit Seats** in public sector medical/dental institutions of the Punjab and **Reciprocal Seats** in public sector colleges of KPK, Balochistan and AJK.
- (vii) The Admission Form and the Prospectus shall be available from University of Health Sciences Lahore or designated colleges as advertised in the Press, absolutely free of cost.
- (viii) No call letters will be issued to the eligible candidates for submission of admission forms.
- (ix) No Admission Form will be accepted after the due date for submission of forms.
- (x) The condition of '84% per cent or above aggregate marks' is not applicable on candidates seeking admission against any category of reserved seats (except Reciprocal Seats for Punjab domiciled applicants). These candidates, if they meet minimum eligibility criteria as stipulated in the prospectus, shall apply as per notified schedule.
- (xi) The candidates can apply for admission against more than one category of seats if he/she fulfills the eligibility requirements. In such case, he/she will have to tick (✓) the relevant categories on the admission form and attach the required documents.

**Q.32 How I am supposed to give my preference for medical and dental institutions? Shall I have to submit separate forms for MBBS and BDS?**

- Ans: (i) When filling out the application, every applicant has to rank the medical and dental colleges in order of preference, starting with his/her first choice. In other words, all eligible candidates are allowed to list up the full names of medical and dental colleges in the order that they would like to be considered for admission.
- (ii) **The order of preferences once given shall be final and cannot be changed subsequently. This condition is mandatory and neither any subsequent change is entertainable nor any exceptions will be made.**
- (iii) Starting with the first preference, applicants will be assessed and ranked according to the merit for each college. A computerized matching process will allocate applicants meeting the minimum merit requirements a place to the highest listed preference for which they are eligible.
- (iv) Once offered a place to the highest listed preference, an applicant cannot demand admission to a college named lower in his/her preferred list.
- (v) **An applicant, under no circumstances, shall be considered for a college, he/she has not named in his/her order of preferences. The Admitting Authority shall not assign a college by itself if the alternate choices are not indicated.**
- (vi) Applicants are advised not to name their preferred college repeatedly in every space on the Admission Form. Similarly, it is also pointless to name only one college. In either case, the applicant will receive a single place on the list for that college and it will not increase the chances of his/her being allocated a seat in that particular college.
- (vii) Only those candidates applying for admission against Open Merit seats can opt for all the public sector medical/dental colleges of the Punjab. Those applying for admission against any category of reserved seats only (and not for Open Merit seats) can opt for only those colleges where these reserved seats are available.
- (viii) There is no need to submit separate admission forms for MBBS and BDS programmes. A candidate can only submit one form.
- (ix) **A candidate can submit only one admission form. In case, he/she**

**submits more than one form, the form(s) submitted subsequently will be rejected.**

- (x) **Incomplete or unsigned Admission Forms will be rejected.**

Ans: No, there are no separate seats reserved for Huffaz-e-Quran. However, a Muslim Hafiz-e-Quran is given a benefit of 20 marks if he/she pass a test conducted by the Admission Board. The procedure is as follows:

- (i) Twenty (20) marks will be added to HSSC/FSc or equivalent marks of a Muslim Hafiz-e-Quran subject to the verification of the same by a Committee comprising eminent Huffaz-e-Quran, constituted by the Chairman Admission Board.
- (ii) The Committee will conduct a structured test of the candidates who claim to be Huffaz-e-Quran.
- (iii) To appear in the test, the claimants will have to get themselves registered for the test at the University as per given schedule.
- (iv) Hifz-e-Quran certificate alone issued by any Madrassa is **NOT** acceptable for the award of twenty (20) marks.
- (v) **Hundred percent (100%) proficiency** in Hifz is required at the time of test by the candidate to attract the benefit of twenty (20) marks.
- (vi) As these Twenty (20) marks are to be added in FSc marks, therefore, the merit will be calculated by adding **40 per cent of Hifz-e-Quran marks (i.e., 08 marks)** in the previous aggregate score of the successful candidate.
- (vii) The decision of the Committee shall be final in this regard.
