UHS Lahore VPN Connection Guide
(For Digital Library Access)

UHS IT Department has established a VPN facility to provide its users an access to digital library from other networks (DSL, Dialup, Cable Network, wireless and, any other network that are used to connect their computer with internet at home).

**Configuration for Windows 7/8:**

1. To start configuration, go to the **Start Menu** and up to the **Control Panel**.

2. In the Control Panel list, open **Network and Sharing Centre**.

3. In the Network and Sharing Centre window, select the option **Set up a new connection or network**.
