2. The adjustment list is issued on a provisional basis, strictly in accordance with merit and on the basis of the information, records, and documents furnished by the concerned candidates and available with the University at the time of its preparation. The inclusion or exclusion of any candidate in the list shall not, by itself, create or confer any vested right, entitlement, or claim to adjustment, admission, registration, or continuation of studies.

The concerned students are directed to join the allotted institution within 10 days of the issuance of this notification and shall submit all requisite original documents at the colleges. In case of failure to do so, the offer of adjustment shall stand cancelled automatically without further notice, and the vacant seat shall be offered to the next eligible candidate strictly on merit.
