Vice Chancellor

To,

**Principals/ Deans/ Heads of Institutions**

**All Medical, Dental, Nursing and Allied Health Sciences Institutes of the Punjab**

Subject: - **UHS VSAT Project for the provision of internet connectivity to the students**

My dear colleagues,

With reference to the circular issued (No. UHS/REG-20/1268, dated: 02-07-2020) regarding 'Introduction of E-Learning Management System in Undergraduate Academic Programmes of the University' a meeting was held in which it was decided that the UHS in collaboration with PITB will make arrangements to provide satellite internet connectivity to those students who have internet access issues in their areas. It is now decided that the data of students, needing internet connectivity from VSAT, shall be gathered from all affiliated institutes of the University and provided to PITB who shall then prepare a feasibility/proposal on the basis of data provided. Provision of internet connectivity is to enable students to attend their online lectures and perform other educational activities with ease and without any disruption. .

I hereby request my colleagues to encourage the students of their respective institutes, who have internet accessibility or unavailability issues in their areas, to kindly facilitate UHS and PITB by providing their details by filling up the form. (Link is mentioned below).

<https://forms.gle/9WZwzDdMnXZZT7pn7>

The data collected shall be shared with PITB who will submit their proposal on provision of satellite internet access based on the data provided by the students.

With kind regards,

Prof. Dr. Javed Akram

**Vice Chancellor**
